

SOURAJYOTI MAITI

sourajyoti.maiti@uconn.edu

EDUCATION

University of Connecticut
Graduate Student and Teaching Assistant
PhD Candidate since April 2026

Fall 2024-Now

Ramakrishna Mission Vivekananda Educational and Research Institute (RKMVERI)
Master of Science in Mathematics
First rank in the Department

Fall 2021 - Spring 2023

St. Xavier's College (Autonomous), Kolkata
Bachelor of Science with **Honours** in Mathematics

Fall 2018 - Spring 2021

RESEARCH INFORMATION

- **Advisor:** Prof. Kyu-Hwan Lee
- **Research Interest:** Computational Number Theory and Machine Learning Applications in Pure Mathematics
- **Ongoing Project:** Optimal Models and gonality of Modular Curves using Reinforcement Learning

TALKS

- **Affine Models of $X_1(N)$ and a Search for Optimal Models using ML** *April 20, 2026*
General/Oral Exam talk
- **Dual Group for the product of topological groups** *Feb 18, 2025*
Number Theory Reading Group, University of Connecticut
- **Riemann's proof of the functional equation of Riemann Zeta Function** *Sept 25, 2024*
Number Theory Reading Group, University of Connecticut
- **Group Law of Elliptic Curves from the viewpoint of Algebraic Geometry** *Sept, 2023*
Number Theory Seminar, Ramakrishna Mission Vivekananda Educational and Research Institute

WORKSHOPS/ CONFERENCES ATTENDED

- **AI and Mathematics Workshop** *July, 2026*
KIAS, Seoul
- **CTNT 2026, Summer School and Conference** *June 1-7, 2026*
University of Connecticut
- **Universal Statistics in Number Theory** *May 4-15, 2026*
CRM, Universite de Montreal

- **Arizona Winter School 2026** *March 7-11, 2026*
University of Arizona
- **Computation in Representation Theory** *November 10-14, 2025*
ICERM, Brown University
- **LMFDB, Computation and Number Theory (LuCaNT)** *July 10-14, 2025*
ICERM, Brown University
- **Murmuration in Arithmetic Geometry and Related Topics** *Nov 11-15, 2024*
Simons Center for Geometry and Physics, Stony Brook University

TEACHING

- MATH 1071Q, Calculus for Business and Economics, *Instructor* *Fall 2026*
- *MATH 1132Q, Calculus II, Teaching Assistant* *Summer 2026*
- *MATH 1132Q, Calculus II, Teaching Assistant* *Spring 2026*
- *MATH 1132Q, Calculus II, Teaching Assistant* *Fall 2025*
- *Tutor, CAPS Summer Bridge Program* *Summer 2025*
program home page
- *MATH 1132Q, Calculus II, Teaching Assistant* *Summer 2025*
- *MATH 1131Q, Calculus I, Teaching Assistant* *Spring 2025*
- *MATH 1070Q, Mathematics for Business and Economics, Teaching Assistant* *Fall 2024*

MENTORING

- **Directed Reading Program** *Fall, 2026*
Mentee: Calvin LaFrance
Topic: *Introduction to Elliptic Curves*
- **Directed Reading Program** *Spring, 2025*
Mentee: Giancarlo Stabler
Topic: *Introduction to Commutative Algebra*

COMMUNITY SERVICE

- Panelist in **Grad Student Mentor Network Panel Discussion** *August 22, 2025*
at Mathematics Department, UConn, for giving an overview of grad student life to the incoming graduate students.
- Panelist in **Graduate Readiness Workshop for Future Mathematicians** *March 29, 2025*
Organized by AWM, UConn Chapter.
